About Meetings West

Meetings West delivers news, features and the most thorough destination information on the Western US, Western Canada & Mexico meetings markets. Planning professionals who hold meetings in these regions read Meetings West for hotel, conference and convention facility updates, industry news, and planning insights.

Meetings West is published by Meetings Media, which also brings you a newly designed website, MeetingsFocus.com, designed for you to research destinations, read industry news, search property listings, and more. We also produce weekly western edition newsletters, monthly educational videos, and weekly meeting Planner video tips.

Meetings West is a free monthly publication delivered to Meeting Professionals nationwide who confirm that they plan/hold meetings in the western states. To subscribe, please log on to: www.MeetingsFocus.com.
