

MOBILE MUSIC ENTERTAINMENT SERVICES

Professional DJ Services...

SINCE 1978

www.mobilemusicentertainment.com

Type of Music

Mobile Music has over 300 hours of music we bring to each event. Music selection ranges from big band, '50's, '60's, '70's, '80's, 90's, current hits, cocktail, lounge, country, Top 40, rock, hip hop and jazz. We always play the music you want.

Equipment

The sound systems Mobile Music uses are custom-built for mobile use. You won't find any home gear in our systems. The systems are compact and can be set up in 20 minutes. We do have larger setups for functions up to 3,000 people.

Experience

Mobile Music has been in business since 1978. We provide music and entertainment at more than 1,000 events each year. We base our business on providing friendly, professional service to our clients.

Corporate Events

For corporate events, Mobile Music has a wide variety of activities, including karaoke, casino games, contests and games – all hosted by a professional master of ceremonies. Please call for more information and rates on packages.

Music the Way You Want It!

We at Mobile Music pride ourselves on providing quality music the way you want it played. We use only professional disc jockeys with experience who will help make your event everything you want it to be. If you have any questions or special requirements, feel free to call.
